

HOME SECRETARIAT

Grant of Minimum Daily Allowance to Government Servants deputed on duty to Mysore
in connection with Dasara Festivities, 1958.

REFERENCE—

1. Government Order No. HD 160 TSD 58, dated 18th December 1958.
2. Letter No. A5C. 39/59, dated 27th February 1959, from the Inspector General of Police.

ORDER No. HD 22 TDC 59, DATED BANGALORE, THE 9TH JUNE 1959.

In modification of Government Order No. HD 160 TSD 58, dated the 18th December 1958, sanction is accorded to the grant of a minimum daily allowance of Rs. 2 (Rupees two) for Class VII Officers and Rs. 3 (Rupees three) for other Government Servants of the several Departments of Government who were deputed to Mysore on duty in connection with Dasara Festivities, 1958, including Dasara Exhibition at Mysore.

The above rates of allowances are admissible for actual days of halt at Mysore as certified by the Heads of the Departments concerned.

By Order and in the name of the Governor of Mysore,

R. R. NAIK,

Under Secretary to Government,

Home Department.

CHIEF SECRETARIAT

Creates Technical Audit Cell under the Special Officer, Efficiency, Audit.

ORDER No. GAD. 39 BAC 59, DATED BANGALORE, THE 23RD, JULY 1959,
(SHRAVANA 1, SARA ERA 1881).

The desirability or otherwise of creating a Technical Audit Cell consisting of the personnel of the Public Works Department in the State on the model of the Cell existing in the Central Public Works Department was receiving the attention of the Government for some time past. With a view to securing economy in expenditure and ensuring better technical and financial control of the works in the Public Works Department and also in consideration of the proposal of the Public Works Department Reorganisation Committee to create a vigilance squad, it has now been decided to create a Technical Audit Cell in the Directorate of Efficiency Audit and Anti-Corruption, for one year, in the first instance.

2. Sanction is, therefore, accorded for the creation of a Technical Audit Cell consisting of the following posts in the different cadres. The officers appointed to the posts will draw pay in the scales of pay shown against each post plus the special pay mentioned in column No. 4.

Category of post	No. of posts	Scale of pay	Special pay
1	2	3	4
<i>Per mensem</i>			
Class I Post.			
Superintending Engineer	1	Rs. 800-40-1,000-50-1,200 ...	Rs. 100.
Class II Posts.			
Assistant Engineer	1	Rs. 250-25-450-30-600 ...	Rs. 50.
Accounts Officer	1	Rs. 300-25-550-30-700 ...	Rs. 50.
Class III Posts.			
Supervisor	1	Rs. 150-10-300 ...	10 per cent of his pay.
Clerk (1st Division)	1	Rs. 75-5-90-6-150-10-180 ...	10 per cent of his pay.
Stenographer	1	Rs. 75-5-101-8-140-10-250 ...	10 per cent of his pay.
Class IV Posts.			
Peons	4	Rs. 25-1/2-35 ...	No special pay.

3. The functions of the Cell will be:—

- (i) Inspection of important works after completion as also during progress for ensuring (a) quality of specifications, (b) execution to schedule and (c) no undue deviations during construction.
- (ii) Inspection of works carried out departmentally for ensuring no excess use of materials and labour.
- (iii) Checking a percentage of concluded contracts for ensuring reasonable rates and no ambiguity in conditions, description and specifications with particular reference to negotiated contracts.
- (iv) Checking a percentage of bills after payment with reference to measurement books as also check on measurements and quality of works executed.
- (v) To help the Government in the Public Works Department on technical points in Audit Objections, Bills, Contracts, etc.

4. In order to enable the Cell to perform its duties efficiently, it is essential that full information should be supplied to it and the visiting officers of the Cell should be afforded every assistance in their work and all requests made by them for access to works, drawings, specifications, contracts, measurement books or for any other particular documents or information should be complied with forthwith. For inspection of works on site, all facilities should be afforded to the officers concerned and all materials and information required should be supplied to them expeditiously.

5. The scope of the Cell will be to supplement the existing agencies such as the Chief Engineer, the Standing Technical Advisory Committee, the High Power Project Committee for Bhadra and Sharavati, the Consultative Committee and the team of experts appointed by the Planning Commission to examine all matters relating to efficiency and economy in the execution of Bhadra Project and the system of pre-audit and to co-ordinate with them in their work. The Head of the Department is primarily responsible for economy, efficiency, quality and discipline, and the Cell should not contribute in any manner to slow down the progress of work undertaken by other agencies or to create a sense of unconcern on the Head of the Department.

6. Orders appointing officers to the Cell will be issued by the Public Works Department.

7. The expenditure on this account should be met from the grants under the sub-heads under "25-General Administration—E-i-IV-Efficiency Audit and Anti-Corruption Office—E-i-IV-A-Direction".

By Order and in the name of the Governor of Mysore,

K. M. MIRANI,

*Deputy Secretary to Government,
General Administration Department
(Organisation & Methods)*
